The screen displays a stylized landscape with a horse and a cow in the foreground, and a large '10' logo composed of animal silhouettes. Logos for the University of Leipzig and Leipzig Trade Fair are in the top right. A smaller '10' logo with the years 1998 and 2020 is in the bottom right.

A man in a dark suit and glasses is speaking at a white podium. The podium has a blue banner with the event logo and text. There are water bottles and a microphone on the podium.

The banner features a light blue background with a red silhouette of a horse and other animals (a cow, a pig, and a sheep) in the foreground. At the top right, there are logos for 'UNIVERSITÄT LEIPZIG' and 'LEIPZIGER MESSE'. The central text reads '10. Leipziger Tierärztekongress'. At the bottom, a red banner contains the text 'Tierisch gut seit 1998!'. A smaller version of the '10' logo is visible in the bottom right corner of the main banner area.
